§ 574.5 Tire identification requirements.

Each tire manufacturer shall conspicuously label on one sidewall of each tire it manufactures, except tires manufactured exclusively for mileage-contract purchasers, or non-pneumatic tires or non-pneumatic tire assemblies, by permanently molding into or onto the sidewall, in the manner and location specified in Figure 1, a tire identification number containing the information set forth in paragraphs (a) through (d) of this section. However, at the option of the manufacturer, the information contained in paragraph (d) of this section may, instead of being permanently molded, be laser etched into or onto the sidewall in the location specified in Figure 1, during the manufacturing process of the tire and not later than 24 hours after the tire is removed from the mold. Each tire retreader, except tire retreaders who retread tires solely for their own use, shall conspicuously label one sidewall
